

**Mitrais is a leading international IT company.  
In Indonesia we have offices in Bali, Jakarta and Bandung.**

If you are energetic, committed, and confident and in need of a new experience working away from the hustle and bustle of a big city, we invite you to join our team of 200 software engineers to work in a challenging and highly advanced software engineering environment located in Kuta and Sanur, Bali.

**JUNIOR PROGRAMMER – Bali Based**

We welcome Fresh Graduates with relevant degree (Bachelor/S1) in IT to join us as Junior Programmers. A formal Induction Program will be provided. We also grant relocation allowances including airfare for employees recruited outside Bali. All promotions are based on merit following our Competency System.

We invite you to come to our Recruitment Roadshow as scheduled below. Please bring your comprehensive resume, recent photographs, academic transcript, certificates and a copy of your ID card on the day of the event.

Please submit your application online at: <http://careers.mitrais.com/>.
