

A clear future for you – and millions of others.

At Standard Chartered Bank we're equal opportunity employer. With more than 115 nationalities represented among our 73,000 employees, everyone has the same opportunities to get to the top based on merit and ability. Make a real difference with the bank over 150 years experience in Asia, Africa and the Middle East.

Group Technology & Operations – Management Trainee (GTO-MT)

Group Technology & Operations (GTO) is at the heart of Standard Chartered. As a center of excellence and continuous innovation, GTO lays the foundation for growth across all SCB businesses (Consumer Banking and Wholesale Banking) and functions (HR, Finance, CRES, etc.) and contributes significantly to the Bank's strategic priorities.

Our GTO-Management Trainee is a 2 years program to develop future leaders of the bank with specialization in Banking Operations and Technology. Performance is our Bank's culture; we recognize our best performers with fast track career path and excellent rewards.

Requirements:

- Hold a Bachelor Degree (S1) from Engineering, MIPA, & Economy
- Min. GPA 3.1
- Have a strong passion to build career in Banking Operations and Technology
- Fluent in English
